

**2009-2010
EDUCATOR OF THE YEAR
NOMINATION FORM**

Chaminade-Madonna College Preparatory and the Home AND School Association recognize the important role that educators play in our community and in the lives of our children. Integral to excellence in education at Chaminade-Madonna is the quality of the educational experience. At C-M, this experience extends beyond the classroom walls. As such, this year the Chaminade-Madonna Home AND School Association will *expand its teacher of the year recognition* to educator of the year by expressing our appreciation to both our full-time **educators** and “**non-instructional**” **educators**. We invite you as a CM student, parent or colleague to nominate an educator whom you think represents the “best of the best” at Chaminade-Madonna.

Educators and “non instructional” educators nominated must be full time and have a minimum of two years experience at Chaminade-Madonna College Preparatory. Only completed nomination forms will be considered.
