2022-2023

Applying for tuition assistance at Chaminade-Madonna is designed in such a way that all qualifying families can move easily through the process from start-to-finish.

After a student is formally accepted for admission, please visit [FactsMGT.com](https://www.facts.org) to begin the determination of eligibility process. FACTS is a third-party clearinghouse that will evaluate the financial data provided by each family to determine level of need. CMCP does **NOT** take any role in this step of the process. There is a \$40 fee for this service, payable directly to FACTS. **Only registered students are eligible to receive financial assistance.**
