

CHAMINADE-MADONNA

College Preparatory

April 1, 2020

To All the Members of the Chaminade-Madonna College Preparatory Community,

We wish to let everyone know that we, the Board of Trustees of Chaminade-Madonna College Preparatory, are thinking of and praying for each of you and your families during this time of challenge for the human community

In addition to the practical changes each of us has been asked to confront, perhaps the most disruptive and disappointing realities are for our students. They miss their friends, all of the spring activities have either been cancelled or may have to be rescheduled and to top it all off, they are now fully engaged in distance learning for the first time. Our whole Board is in awe at how quickly the faculty, administration and students have transitioned to this new form of instruction. All of us are grateful for your commitment to the learning process – thank you!

It has been said that, “necessity is the mother of invention.” In this case, invent we must – who knows what new and wonderful things may come of it all.

The CMCP community is both strong and resilient. Our Marianist tradition of academic excellence and all of our students and faculty, past and present, are ready for any challenge. We’re in this together

Thank you all SO MUCH for your unfailing commitment to our school.

On behalf of the Board of Trustees of Chaminade-Madonna College Preparatory,

Eric Squilla '88
Chair
Board of Trustees
